## **PETITIONING THE COURT**

To issue a summons.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

**1      Special Condition # 17:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** It is alleged that Mr. Finney violated his terms of supervised release by using methamphetamine, marijuana, cocaine, and morphine on or about September 21, 2021.

On March 17, 2021, the undersigned and Mr. Finney reviewed his conditions of supervision. He signed his judgment acknowledging an understanding of his conditions of supervision, which included special condition number 17.

At the direction of the undersigned officer, Mr. Finney reported to the probation office on September 21, 2021, to submit to urinalysis testing. The undersigned officer observed what appeared to be a deception device being used by Mr. Finney in an attempt to pass his urinalysis test. The undersigned officer directed Mr. Finney to remove the deception device, and he complied.
